

# CITY OF HARTFORD

DEPARTMENT OF PUBLIC WORKS  
Office of the Director  
525 Main Street, Hartford, Connecticut 06103

## **Update: Fall Leaf Collection Program**

Hartford residents, please be informed that due to the lateness of the leaves falling off the trees in most areas, our recent published leaf collection schedule may fall behind. Every reasonable effort will be made to catch up, however, the program is subject to weather conditions. Snow, rain and cold all combine to make leaf collection more difficult as we approach the winter season. Weekly updates as to the City's progress will be released to the local media in an effort to keep residents informed.

For further information, please call our DPW Customer Service Center at (860) 543-8765 or the Recycling Office at (860) 543-8609. Thank you.
